Chips! Information

From Jerri:

Please submit your final works tome by the end of July. I need them electronically on either a CD/DVD, an old fashioned floppy or through email. I would also appreciate a hard copy. You may give it to me at the July 23rd meeting or snail mail it to me.

FAQ:

No, you do not have to format your work to fit the size of the Chips! book. I will do that. Just use your usual margins.

Microsoft Word or Works is best. If you have a different word processor please contact me.

About 1000 - 1100 words for prose. Poetry runs 32 lines per page max @ 4 pages.

A short bio is fine, must stay within your word/line count.

Questions? Please call Jerry at 817-557-4657 or email her at j.jeske@flash.net

Coming Up!

August: Special Program to get everyone on line. Notice that said online, not in-line. No chance of that happening. This is about web-pages for your work.

Random Thoughts:

"There are a lot more love songs than anything else. If songs could make you do something, we'd all love one another...I wrote a song about dental floss but did anyone's teeth get cleaner?" Frank Zappa

"You know, Lloyd, just when I think you couldn't get any dumber, you go and do something like this...and totally redeem yourself." (Jeff Daniels in *Dumb and Dumber*)

"Many a man owes his success to his first wife and his second wife to his success. Jim Backus
